

# University of Connecticut Athletic Training Education Program Discipline Policy

The following penalties were created to foster a level of quality control within the Athletic Training Education Program. Issues that could be dealt with under the umbrella of this “Program Discipline Policy” include issues pertaining to clinical rotations, cheating, course attendance, overall behavior, in addition to other infractions/offenses. The Director of Athletic Training Education and Director of Entry Level of Athletic Training will determine the penalties as related to infraction. Please note that an initial infraction does not have to fall under the 1<sup>st</sup> Level Penalty, it could be worthy of any penalty, given the nature and severity of the infraction.
