

I am a **Neag School of Education Physics Education Major**
who is considering the **additional BA degree**
in **Physics** through the College of Liberal Arts and Sciences (**CLAS**).

Major:

- Related Courses – Your Physics advisor may allow you to use an education course to satisfy the remaining 2 credits of related coursework. MATH 2110Q, 2410Q, and 3410 (Physics prerequisite courses) count as related.

General Education:

- You may need additional courses in content area one to fulfill CLAS General Education requirements.

Note: This sheet is not meant to replace advisement by an academic advisor, nor does it in any way guarantee eligibility for the additional CLAS degree. It is only meant as a planning tool. Please see your advisor(s) to construct your plan of study.
