My Responsibilities:

1. I will use the Computer in accordance with NSOE policies on appropriate use of computer resources.
2. I agree that I do not own the computer, and thus, no title of ownership of any hardware or software is conveyed nor will I sell, lease, rent, mortgage, or in any way dispose of the interest in the system or any part and will keep the same free of liens, claims or charges of any kind whatsoever.
3. I understand this agreement is for the "right to use" only.
4. I will not permit any other person to possess or use this system.

Damage and Theft:

1. I bear the entire risk of loss, damage or theft to the system from any cause whatsoever until it is returned to the NSOE and a receipt is issued to me.
2. In the event of theft of the Computer, I agree to obtain a police report made within 24 hours of the earlier of either the occurrence or my discovery of the occurrence. I understand failure to do so could result in my having to pay the full cost of replacement of the Computer.
3. I also agree to notify the NSOE Technology Services Department within 24 hours after an incident of loss or damage of any kind.
4. I understand that the insurance coverage is limited to only one (1) theft OR (1) damage claim within any 12 month period. In addition, I will be charged an administrative fee of \$150.00 per occurrence.

The condition of the Computer shall be as the same as when I received it notwithstanding reasonable and commensurate wear and tear. I understand that failure to return the Computer **within 48 hours** of above mentioned conditions may result in my being liable for the replacement cost of the Computer which the NSOE shall have the ability to collect to the fullest extent of the law.

Buyout: If I choose to purchase my Computer at the end of this usage agreement, I will notify Genesis Capital in writing of my desire at least 30 days prior.
